Imam Adéyínká Muhammad Mendes

---

– 1 –

It's the polish of your soul,  
By it our lives become whole,  
It's our start and it's our goal:  
Laa ilaaha illaLlaah!

– 2 –

By it faith is made concrete,  
By it you become complete.  
Mankind, be sure to repeat:  
Laa ilaaha illallaah.

– 3 –

His Name is Light upon Light!  
It opens your inner sight.  
Invoke Him all day and night:  
Laa ilaaha illaLlaah!

– 4 –

Beyond spirit, beyond mind  
Beyond body, unconfined,  
My Beloved, The Most Kind.  
Laa ilaaha illaLlaah!

– 5 –

Beyond time, beyond space,  
Beyond gender, beyond race.  
Where'er you turn, there's His Face!  
Laa ilaaha illaLlaah!

– 6 –

It saved Noah from the Flood,  
It made Adam more than mud,  
It's our flesh and it's our blood:  
Laa ilaaha illaLlaah!

– 7 –

It revives hearts that are dead,  
Through it Enoch wrote and read,  
For it they took off John's head:  
Laa ilaaha illaLlaah!

– 8 –

It will guide you to what's right,  
It will strengthen with true might,  
It helped David win the fight:  
Laa ilaaha illaLlaah!

– 9 –

By it Jonah left the whale,  
By it Joseph left the jail.  
It's the Friend that will not fail:  
Laa ilaaha illaLlaah!

– 11 –

It has come in Narration,  
From the Best of Creation –  
The best of invocations:  
Laa ilaaha illaLlaah!

– 13 –

It will bring you inner peace,  
It will cure you from disease,  
It will fill your life with ease:  
Laa ilaaha illaLlaah!

– 15 –

It's the freedom we must spread.  
It's our water, it's our bread.  
Nothing better could be said:  
Laa ilaaha illaLlaah!

– 17 –

It's what made Khadija spend,  
It made Aisha ascend.  
Lord, grant we say at our end:  
Laa ilaaha illaLlaah!

– 10 –

By it Virgin Mary bore  
Christ who comforted the poor  
Who, to Ahmad, is our door.  
Laa ilaaha illaLlaah!

– 12 –

For sick hearts it is the cure –  
For those who seek to be pure.  
It's the Truth that shall endure:  
Laa ilaaha illaLlaah!

– 14 –

It's your shield and it's your sword,  
On Earth there's no better word –  
Invoking your Gracious Lord:  
Laa ilaaha illaLlaah!

– 16 –

This Truth placed Bilal ahead,  
This Truth kept Salman's soul fed,  
For this Truth our Suhaib fled:  
Laa ilaaha illaLlaah!
